

TOP SECRET

The Great Foothill Spy Game

Clue #1

Secret Agent,

Congratulations for accepting this mission. For your first task, you must solve this puzzle. Use the numbers 1 through 9 exactly once in each row, column, and 3x3 box.

The numbers in the yellow box are the solution to this code.

4		1	2	9			7	5
2			3			8		
	7			8				6
			1		3		6	2
1		5				4		3
7	3		6		8			
6				2			3	
		7			1			4
8	9			6	5	1		7

Remember to keep the solution someplace safe! You'll need it at the end of the game. Good luck!
