

To the parents of 4th, 5th, and 6th grade students:

The Highland Elementary spelling bees will be held this year on **Friday, February 17**. We will have two different spelling bees to allow students to participate and improve their spelling skills at their individual levels. Teachers have administered the pretest in their classrooms, and they have received result lists of which spelling bee each student qualified for.

Registration for spelling bee will be held online this year through the link below and will be open from Monday, January 23 to Friday, January 27. Any student who wishes to participate must sign up no later than Friday, January 27.

**Students must be signed up in order to participate.**

Attached are the spelling bee word lists you can print off at home so your child can begin studying!

Please contact us with any questions, or if you would like to volunteer to help out the day of the spelling bees.
