

# STOMP

our music festival this year will have you stomping your feet!  
we can't wait to celebrate the world of rhythm and beat!

Everyone can feel it, it runs through our veins,  
it's even been proven to strengthen our brains!  
So now is your chance to show us your talents,  
I'm looking for numbers to bring our show balance.  
whether banging on pots or clapping your hands,  
we need two student performances to please our fans.
