*"Learning At High Levels For All Students"*

May 2013

### Principal's Message:

Well, the year is winding down or rather winding up to the end of the year. Not only are we busy with all the end of year activities but we are in full swing with the year end testing. As we look into next year, I am excited about all we will be able to do to support student achievement and ignite the desire for life-long learning. Thank you for all of your support in the few months that I have been here at the Home of the Lions and a special thanks to the faculty and staff for pulling together and allowing me to be part of the team. For next year, we are putting in place resources, tools and instructional strategies to raise the bar of academic achievement for all students. With the help of PTA and the School Community Council, we will continue to move forward as a school of continuous improvements. This year hasn't even ended quite yet and I am excited for what we will accomplish next year. **GO LION PRIDE!**

Joel V. Miller  
Principal

### Band & Choir Concerts:

Lehi Elementary enjoyed a wonderful concert with our student band and choir. We so much appreciate Mrs. Vangie Jones and Heidi Needles for all their hard work in directing the band and the choir. The students had a great time preparing for this culminating concert and the school as a whole was edified by the talents they shared.

Next year we are looking to expand our Arts program and provide more opportunities for students to learn about instrumental and vocal music, theater and dance.

### Assemblies:

We have had some pretty amazing assemblies in this Trimester. We were honored to have the Utah Opera and Ballet West come to the school and teach us about their arts and perform for us. It was a wonderful experience for all the kids. Also, we really enjoyed the 1 On 1 Basketball tournament. The kids had a lot of fun cheering on their friends.

### Attention Students!!!

I want you to know, I haven't forgotten that I need to sleep on the roof one night because you all met the school goal during the penny drive. Now that the weather is getting warmer, I will set a date and let you know soon.

-Mr. Miller
