PTA Membership Competition

The membership competition was great this year! We had ties in the upper grades and in the lower grades. Mrs. Matthews and Mr. Morris both had 56% percent PTA membership in their classes. So we had Chick-fil-A and the Cow come for lunch with them. In the lower grades, we had a tie also with Mrs. Knight's pm Kindergarten Class and Mrs. Williams 1st grade class. They both had 74% PTA membership, and they all got lunch with the Cow also. There were a lot of other classes with many PTA members in them, and they will be rewarded! Thank you to all those that joined PTA this year. The kids all benefit from your membership!
