

My name is Amy Bohrer. I grew up in Alpine, UT and currently live in Lehi, UT with my husband Dan, and our oversized German Shepherd, Willow. My daughter and son are both attending USU and I love spending time with them any chance I get. I love the outdoors and make sure to enjoy our incredible mountains all year long, whether it is hiking, biking, paddle boarding, or snowshoeing. I am so excited to be joining North Point Elementary to teach Art and get to know the students, teachers, and community.
