PTA MEMBERSHIP

The PTA is closing in to the end of their class pizza party competition for the classroom with the highest PTA membership among parents. We will have announcements each morning this week to increase motivation for the students to talk to their parents about joining, as well as for carnival donations. The more

PTA support we garner from the public, the more we will be able to work as a partnership in educating our youth. It is critical that we build up the carnival as much as we can to get enough donations to make the evening a success. Thanks for your support!!!

PTA Carnival Extraordinaire!

****Your help is requested****

Dear teachers, your help in the carnival is essential to making it a success. A sign up sheet will be coming around this week to see which booth you would be

willing to help with. Thank you in advance!
