Why it's Great to Be a Shark?

Often parents, teachers, and students are asked, "What is great about your school?" So, we have compiled some unique points about what we feel makes Saratoga Shores Elementary a **GREAT** school:

Celebrating the Student

- Wheel of Fortune: Student recognition program that celebrates academics and citizenship
- Dr. T's Readers: Student book club sponsored monthly by the principal
- Character Education Program: Students are recognized for living monthly character traits
- Lunch with the Principal: Students honored by celebrating success with the principal over lunch

Building the Student

- Visual Arts Project: Students receive instruction in many art genres
- Battle of the Books: Student competition on facts from a series of books
- Science Fair: Students design original scientific experiments
- Spelling Bee: Classroom and school spelling competition
- Student Council: Training of our sixth grade students in leadership service skills
- Shark Attack (Flex) Time: Targeted time designed to attack individual student's academic needs

Enriching the Student

- Ballroom • Science Club • Singing Sharks • Chess Club • Shark Challenge 100 Mile Club • Yearbook

Incredible Parents & PTA

- Room Parents • Spooktacular Carnival • Reflections • Dads & Dogs • Home Reading Library • Donut Days

Trust Lands Report

The main function of the School Community Council (SCC) entails developing the school improvement plan, and allocating \$55,344 Trust Lands funds to support the plan. Our plan is related to our school goals of increasing our reading, writing, and math scores.

The school improvement plan for the school year focused on improving student achievement by:
-Improving student reading skills through the use of the STAR Reading Tutoring Program and our Reading For Fluency Program.
-Increasing teacher capacity and effectiveness through attending professional development. Current needs of the students and the school are met through targeted workshops, and half day extended teacher collaboration time three times a year .
-Increasing student opportunities with technology in the classroom. Overhead projectors, document cameras, computers (Chromebook & iPads), voice enhancement systems, and other technology was purchased from State Land Trust funds. (See the full Trust Lands report & a list of SCC members on our webpage under the School Community Council tab).

Overall Strong Academic Tradition

Saratoga Shores Elementary has a long history of maintaining high academic standards, as indicated by our yearly state testing scores. The SAGE test is the new state assessment this year and as such fewer students will be proficient. This is not a reflection of decreased student achievement, rather, it reflects an increase in expectations. Saratoga Shores still scored well beyond State and District averages on SAGE — of particular note is our increase in student academic growth scores (see second graph below)!!

Shark Learners: Saratoga Shores 2014 Scores

“Building a Community of Learners - One Student at a Time.”

Our high academic accomplishments are due in part to the fact that each grade level meets every week during collaboration to ensure academic growth for all students, and also because of the amazing parent and community support we receive throughout the year.
