REGISTRATION

You must complete the bottom of the registration form and turn it into folder on Ms. Poulton's office door by February, 24th. All participants must turn in a registration form. You must sign up for a Show Your Talent time slot. Signups are located on Ms. Poulton's door. A Show Your Talent time slot reminder note will be sent home with the student the following week. If a student has registered but has not signed up for a time slot, one will be assigned to them.

SHOW YOUR TALENT

You will have an opportunity to show the Talent Show Committee your talent. You do not have to come in costume. The only requirement is that you have a rehearsed talent prepared. If you wish to have music accompany you, you must have the music with you. We will have a speaker adapter prepared to plug into your device to play the music. We do not provide music. You are encouraged to perform in groups if your talent is dancing, hula-hooping, jump roping, etc. If you are signing, back up music must be instrumental, no lip syncing. We also have spots available for Stage Crew. Please fill out a registration form for that as well.

DRESS REHEARSAL

All participants must attend the dress rehearsal. This helps you to know what is expected of you on the day of the talent show. If you do not attend, you may not participate in the Talent Show. You should come prepared with all of your props, costumes, music, etc.
