

During the 2020-2021 school year, students at Barratt Elementary will again have an opportunity to participate in Battle of the Books. Students read specific books throughout the year and compete as teams in quiz-show style battles in February. If you are interested in participating (and we hope you are), you can get a head start this summer by reading some of the books. The 20 books we will be reading next year are listed below. Keep in mind, because you will be a member of a team, you will not need to read all the books yourself. You can also listen to audio versions of the books and follow along. Happy reading!
